DTV Consumer Education Quarterly Activity Report

Instructions

This form should be used to provide the Federal Communications Commission (FCC) with information pertaining to all station activity to educate consumers on the transition to digital television (DTV). All stations should log DTV Transition-Related Public Service Announcements (PSAs) and other DTV activities using the appropriate house (identification) numbers. These logs or records should include the date and time that each DTV activity occurred. This form must be filed in Docket Number 07-148 as Document Type: REPORT, and placed in the station's Public Inspection File. This form must continue to be filed for each quarter in which a station has DTV Transition education obligations.

Section A (For broadcasters electing Option One)

Stations that elect Option One must place a copy of this form on the station's public website, if such exists.

On its analog channel, and its primary digital stream, a station must air one transition PSA, and run one transition crawl, in every quarter of every day. This requirement will increase to two PSAs and crawls per quarter per day on April 1, 2008, and to three of each on October 1, 2008. Stations are required to air PSAs or crawls at various times in any given day part, and at least one PSA and one crawl per day must be run during primetime hours. On-air education must not contain inaccurate or misleading statements and must be provided in the same language as a majority of the programming carried by the station. PSAs must be at least 15 seconds, and closed-captioned. Crawls must run during programming for no fewer than 60 consecutive seconds across the bottom or top of the viewing area (See rules for additional details).

Have you aired a sufficient number of eligible PSAs (28, 56, or 84 per week, depending on the reporting period) during the correct quarters of the day?

Yes No

Have you aired a sufficient number of eligible crawls (28, 56, or 84 per week, depending on the reporting period) during the correct quarters of the day?

Yes No

Section B (For broadcasters electing Option Two)

On its analog channel, and its primary digital stream, a station must run an average of 16 transition-related PSAs and 16 transition-related crawls, snipes, and/or tickers per week in each quarter, all between the hours of 5 a.m. and 1 a.m.. It must also run one 30 minute DTV-related informational program once, and one 100-Day Countdown piece per day for the 100 days prior to the conclusion of the transition. Comment boxes MUST be used to describe these compliant activities (See rules for additional details).

Additional DTV On-air Initiatives – Last Quarter

Did your station run additional on-air initiatives (such as news reports, town hall meetings, etc.) during the quarter? The comment box may be used to describe these initiatives.

Yes No

Comments (add additional sheets where necessary):
On April 23, 2008 we broadcast a story regarding the Consumer Electronics Associations efforts to inform the public about where to purchase converter boxes in our 5 PM and 6 PM newscasts. On May 28, 2008 we featured stories about a day-long DTV education event sponsored by our Congressional representative and the NAB. The event was held at FCC headquarters and our noon anchor and VP of Media Outreach served as the moderator. The stories were broadcast in our 5,6 and 7 PM newscasts and in our 6 and 9 AM newscasts the next day. On June 3, 2008 we did stories about a combined effort by the National Black Church Initiative and the NAB to reach out to minority communities with DTV transition information as well as with forms to use to request converter boxes. These stories aired in our 5 and 6 PM newscats as well as our 6 AM and 9 AM newscasts the next day.
